Subject: Documents for EPA's reconsideration in any re-registration of dicamba

This is a courtesy email to advise you that I will be sending an email with attached zip file via WeTransfer with Center for Food Safety's documents for EPA's consideration in any re-registration of dicamba new uses over the top of GE cotton and soy.

If you do not see a WeTransfer email in your inbox from me, please check your junk or similar folders.

Let me know if you have any further questions.

Thank you,

Russell Howze
